

Fact Sheet

Oceana County

Find out more about areas in your county with the greatest LRS (Low Response Score - the predicted rate of individuals who will not provide the Census with their information on their own and/or accurately). There are multiple variables that can affect a community's LRS such as poverty, renting a home and access to internet service. This sheet will help you quickly identify areas with the greatest LRS, understand the main factors affecting LRS in that area and access resources about those specific factors. **PLEASE NOTE: LRS is intended to help communities target their resources and census outreach efforts. It is not indicative of a potential undercount.**

Colfax, Crystal, Elbridge and Leavitt Townships

Total Population Estimate (2017): 3,251
Low Response Score: 22.7%

Top Three Variables Affecting LRS

Population in Poverty: 1,330

Latino Population: 690

Population with Limited or No Internet: 616
